

# Z-LDB

## Description

The end cap provides closure at the ends of LDB and LDBST channels. The piece provides a neat finish to the ventilation support structure ends and makes sharp channel edges safe to touch.

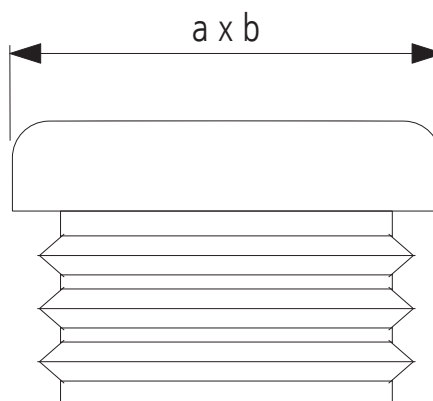

End caps for STRUT channels are labelled with ST at the end of the product code, e.g. Z-LDB-41-ST.

### Product code example

Product code: **Z-LDB-30**

type \_\_\_\_\_

## Dimensions

Product code	a x b [mm]
Z-LDB-20	30 x 20
Z-LDB-30	30 x 30
Z-LDB-45	30 x 45
Z-LDB-21	41 x 21
Z-LDB-41	41 x 41
Z-LDB-21-ST	41 x 41
Z-LDB-41-ST	41 x 41

## Installation method
